This aerial photograph shows a coastal scene with a graphic scale bar in the bottom right corner. The scale bar is labeled "GRAPHIC SCALE" and "(IN FEET)". It includes a checkered pattern at the bottom and numerical markings from 0 to 320 in increments of 80. A vertical label "1 inch = 80 ft." is positioned next to the scale bar. On the left side of the image, there is a dark, textured area representing vegetation or water. In the center, two parallel white lines define a path or road. To the right of these lines, the terrain slopes upwards. Several labels are present: "N/F ULLAHAN -1-18.1" is written vertically along the bottom edge of the white line area; "N/F FERRARO 11-1-17" is written vertically along the upper edge of the same area.
